SINCE 1967

KILN CONTROLLERS

Kiln Mentor Controller

Touchscreen control, included with every new kiln

A full-colour touchscreen controller, fitted as standard to every new Woodrow kiln. Load a program set up for your kiln, check it, and press Start.

LOAD A PROGRAM

CHECK OR EDIT

THREE LIVE VIEWS

Tap the display to switch views — including a big temperature you can read from across the room.

AT A GLANCE

SCREEN	Full-colour, with big buttons
PROGRAMS	12 Woodrow presets plus 18 slots for your own — 30 in total
EDITING	Rate, temperature and hold per segment, plus a graph view
DELAY START	Up to 99 hours — fire on off-peak power
SCHOOLS	Safety start code for students
SAFETY CHECK	Elements checked at every start
WI-FI	Built in, signal shown on screen

PRICE

Every new Woodrow kiln

Included
